

# Pitblado Congratulates Its Newest Partner!

## **Brian Bowman**

Brian was admitted to the Manitoba Bar in 2000. He practices as a business lawyer specializing in privacy, access-to-information, online reputation management, intellectual property and technology matters.

He is a nationally recognized leader in privacy and access-to-information law and has been acknowledged as one of Canada's leading privacy law authorities.

Brian is a frequent speaker, media commentator and author. He has a professional blog entitled *On the Cutting Edge*, which can be accessed through [pitblado.com](http://pitblado.com).

Brian currently serves on several boards including the Winnipeg Chamber of Commerce, the Certified General Accountants of Manitoba, the University of Manitoba Alumni Association where he is a past-president and the Fortune Cat Game Studio. He is also a member of the advisory council for the eureka project, the University of Manitoba Smartpark Development Corporation's Incubator.

Contact Brian at (204) 956-3520 and [bowman@pitblado.com](mailto:bowman@pitblado.com).
